"High achievement and success with a smile."

Parent / Carer Consent Form Internet and E-Safety Rules

All pupils use computer facilities, including internet access, as an essential part of learning, as required by the National Curriculum. Both pupils and their parents/carers are asked to sign agreements to show that the E-safety Rules have been understood and agreed.

As the parent or legal guardian of the above pupil, I have read and understood the school E-Safety Rules in the Welcome Pack and grant permission for my daughter or son to have access to use the internet and other ICT facilities at school.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, employing appropriate teaching practice and teaching E-Safety skills to pupils.

I understand that the school can check my child's computer files and the internet sites that they visit, and that if they have concerns about their E-Safety or E-Behaviour they will contact me.

I understand the school is not liable for any damages arising from my child's use of the internet facilities.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns over my child's E-Safety.

Wallace Fields Infant School & Nursery is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
