

KidsQuest

NEWSLETTER

Dear KidsQuest Parents and Carers,

Friday 15th September 2023

Over the past two weeks we have been exploring new beginnings and making friendships old and new. The children have been participating in making healthy pizzas, playing board games and other games like Jenga. They have also enjoyed drawing pictures of their friends and talking about what makes a good friend. Next week we shall continue the theme of making relationships and think about how to look after a pet.

As a result of the new gates around the school, your child should be dropped off/collected from the red gates located at the front of the school near the main entrance. When an adult is not in the playground, please ring the KidsQuest doorbell on the large mosaic wall.

Thank you and we hope you have a lovely weekend.

Miss Golding, Miss Kelly and the KidsQuest Team.
