When you support us, you're not just baking a cake, writing a cheque or giving up your time to volunteer. You're buying your child playground equipment to enjoy at break time, providing fantastic learning experiences in school, making new friends, building a community and helping to make your child's school even more brilliant.

WHAT DO WE DO?

The PTA is an open and friendly group of parents working together to support our children's education at school and strengthen the school community.

We raise money, organize fun events for all and help out wherever we can.

EVERYONE'S INVITED

Now that your child has started at school you are automatically a member of the PTA. How involved you choose to be is up to you. If you have ideas to share or want to know more about the group head along to the next meeting.

IT WON'T TAKE OVER YOUR LIFE (unless you want it to!)

We never ask people to take on more than they can, and our team support everyone in their roles. Whether you work full time, part time or are a stay at home parent, **any time you can offer will be welcomed**. What makes us a success is everyone doing something so that no-one feels they do everything. Please offer us support and we'll find the perfect job for the time you can offer.

WE ALL HAVE SOMETHING TO OFFER

We can't stress this enough! The PTA involves so many things! Every skill is appreciated creating a poster, gardening, computer skills, washing up, bricklaying. Most of all a willingness to help out in small ways.

KID'S LOVE IT!

Your child will love seeing you in school or working on school projects at home. Studies show being involved encourages kids to do their best at school.

IT'S GOOD FOR YOU

The PTA is a fast way to get to know other parents and school staff. Feeling part of the community is great for everyone's wellbeing and help create a support network. It's a lot of fun.
