"High achievement and success with a smile."

22nd April 2020

Dear WFIS & Nursery Parents & Carers

We hope you managed to enjoy the sunshine during the Easter break! We write to warmly welcome you to the summer term! Firstly, we would like to take this opportunity to say a huge thank you to all the staff who have worked so hard to implement and run our Superheroes Club for the children of our key workers. 'Superheroes' continued over the Easter break with the assistance of SCL and, as from Monday, WFIS & Nursery staff have now taken back the reins and are looking forward to working with the children over the coming weeks.

As the school starts the summer term we continue with our provision of remote learning for your children. We recognise that many of you are trying to juggle this with doing your jobs at home and supporting several children of different age groups. You will find approaches, methods and styles that work for you and your children. Your home learning might be solely adhering to learning grids set by teachers, or dipping in and out of the activities and allowing your children time to play, or be creative or you may have a family project you are working on. Whatever it looks like for you, whatever works for your family is the right approach. Learning can also take many forms, so for our young children, learning to lay the table, help cook the dinner or planting in the garden are all valid learning experiences.

At this stage we should refrain from trying to predict when schools will reopen for all and in the meantime we will be focusing on this new method of home learning. Once the Government indicate a time for schools to reopen, we will be making firm decisions about how to operate WFIS & Nursery from that point onwards.

Please continue to bear with us as the new term begins in a way that was not foreseen earlier in 2020. We recognise how difficult it is for you to not be able to use school in the usual way and we are all looking forward to getting back to 'a normal school' routine. In the meantime, please take care of your loved ones and yourself.

Thank you for your ongoing cooperation and support.

Yours sincerely,

Nicky Mann
Co Headteachers
