NEWSLETTER

Dear Parents and Carers,

Friday 10th July 2020

It has been an incredibly busy week digesting the new government guidance on the full re-opening of the school and we will send out information to you next week with an updated re-opening policy and home-school agreement ready for September. We are sure you will appreciate this is no small task. We are having to re-think every single procedure, process, timetable and way we do things to ensure we maintain the safety of the children and staff in line with the guidance. School staff have been supporting us amazingly and working collaboratively to problem solve and we are so thankful for all of their support!

We are so looking forward to seeing all of the Year 2 children next week for their end of school celebration, along with those children from Reception and Year 1 classes who have been remote learning this term for an end of year event. Teachers have been planning lots of fun activities which we are sure the children will love!

For those parents who replied to say they wanted a **home learning pack for the summer, they are available for collection from next Monday in the School Foyer in a named envelope**. We are sure you are very keen to have your child's amazing learning journals so we will be making these available for parents to collect on set days next week - **please look out for an email with details of how you can collect these coming out soon** – don't forget to adhere to your allocated day so you don't miss out on collecting these wonderful records of your child's learning!

Have a lovely weekend and stay safe! Nicky Mann & Mr Jamie Hallums, Co-Head Teachers

CAMHS Early Intervention Team

During these unprecedented times, we are aware that many young people may experience heightened anxiety. Although some of this anxiety is normal, we are aware that these feelings may be new and unpleasant.

CAMHS Early Intervention Team have therefore created some webinar presentations to support you as parents, in supporting your child(ren) with understanding anxiety, and some strategies to manage anxiety with the current circumstances of COVID and Lockdown in mind.

Book Amnesty

As we are fast approaching the end of the school year, it is time for a book amnesty!

Could I please ask for all parents and children to have a good look at home for any school reading books you may have and bring them into school by **Friday 17th July 2020**. There are two large boxes in the School Office Foyer for you to return any library or reading books you may have at home.

If your child is home learning at the present time, but will be attending their allocated time at school on Monday 20th or Tuesday 21st July 2020, they are able to bring these into school with them.
