## NEWSLETTER

Dear Parents and Carers,  
What an incredibly busy week it has been finalising our plans for the phased re-opening of school beginning on 2<sup>nd</sup> June. We still await a further government announcement on 28<sup>th</sup> May to confirm this, and sometime today you should receive an email outlining our detailed plans and links to our policy. We thank you for your patience and understanding throughout this challenging time for everyone.

Thank you to Owl and Kingfisher class children – we loved your collective message to staff this week and it really brightened our day! We have continued to receive overwhelmingly positive feedback from parents about the Zoom calls that have taken place this week. We aim to plan for more of these to take place in the coming weeks for children who are not currently able to return to school.

Please [click here](#) to view our WFIS 2020/21 term dates. For your convenience we have been in close contact with Mr Lee at the Junior school to agree common dates for our staff training (INSET) days. Hopefully this should support our parents with an older child at the Junior school.

We hope that you are able to get outside and enjoy the brilliant sunshine over the weekend. Eid Mubarak to those families celebrating Eid at the weekend!

Miss Nicky Mann & Mr Jamie Hallums, Co-Head Teachers

It was so nice to meet lots of you on our Zoom calls last week. I loved seeing so many smiling faces and hearing about all the wonderful home learning you have been doing – you should all feel really proud. Keep helping out at home and don't forget to tweet if you can.

Hello Owls!

I have loved seeing how you've all been really developing your creative skills over these past few weeks. I have been amazed at how good at baking you are; I think I'll be seeing you all on Bake Off when you're older! I really miss you and hope to see you soon.

Hi Hedgehogs!

Hey Badgers!

I have been amazed with the amount of work I have been seeing on Twitter. Mrs Wadey and I are so impressed and proud of all of your home learning. Remember, if you like extra challenges, listen carefully during story time as I sometimes like to add an activity for you to try! Hope to see your smiley faces soon.

Hey Butterflies!

It was lovely to see all of your smiley faces on 'Zoom' last week. I am so proud of all of the learning that you've been doing at home, you all look like you've been having lots of fun! I'm missing you all lots and hope to see you all very soon. Don't forget to tweet me or email me any amazing learning that you do!

Hi Bumblebees!

Hello Big and Little Stars!

It has been so lovely to see some of you on our zoom calls this week. You are all looking so grown up! I hope you have enjoyed our story of the week 'The Tiger Who came to Tea'. I even got a visit from a tiger but luckily I had some tiger food in the cupboard so he didn't eat all my food.

## Golden Ticket

Well done to the children who won a golden ticket this week for their efforts and achievements (see below)! Keep up the great work everyone & we look forward to finding out who will be our golden ticket winners next week!

## After School Clubs (Summer Term 2020)

We would like to take this opportunity to confirm that After School Clubs **will not** be taking place on school premises for the remainder of the Summer Term 2020

If your child is currently participating in a Virtual After School Club, as some of our external after school club providers are offering, this will continue in this format.

As soon as we have more clarity on our Autumn Term 2020 After School Clubs, we will of course share these details with you.

## Parent Helpers / Volunteers in School

As you are probably aware – we are planning to reopen on 2nd June 2020 to some of our pupils. Whilst we will be operating in line with the Government guidance on safe social distancing practice in the workplace, we are unfortunately not in a position to welcome our parent helpers / volunteers back into school at this time.

As soon as we are in a position to do so we will of course be in contact with you. In the meantime, stay safe and keep healthy.

## Good Mental Health Week

This week is 'Good Mental Health Week' (18<sup>th</sup> -24<sup>th</sup> May 2020) and the focus is on the positive benefits of kindness on our feelings of self-worth and sense of belonging - so important at this uncertain and challenging time.

Kindness is not just about being kind to others but allowing you to be kind to yourself.

Why not go onto the [ELSA Support Website](#) and have a go at the 5 day 'Kindness to Yourself' Challenge. Please see below!

Hello Wallace Fields Infant School Children! We just wanted to say that we miss you all so much and cannot wait until we are back together again at school! Keep smiling and stay safe!
