Dear Parents and Carers,

Friday 27<sup>th</sup> March 2020

What an extraordinary week for everyone in unprecedented times! At school we have been converting our provision into emergency childcare for critical workers. Our 'Superheroes Club' is up and running for a small number of children whose families are supporting the nation in key roles during this period of crisis. For all of our other families, we hope you have been adapting to life at home and that the learning resources provided by class teachers is proving helpful. There is no expectation to do every single task – we know each family's circumstances are different - but they are there if needed. We are also setting up a way for you to share your children's home learning online so that classmates and teaching staff can make comments – more details coming soon!

Well done to our winners of the sponsored read which we held before the school closed – Amelia S (Kingfisher), Aaron M (Owl), Rocco SC (Hedgehog), Avi N (Badger), Millie D (Bumblebee) & Frankie T (Butterfly). The PTA will update us when we know the total raised towards new school books.

Keep safe and well everyone.

Miss Nicky Mann & Mr Jamie Hallums, Co-Head Teachers
