

# Wallace Fields Infant School & Nursery

# SUPERHEROES NEWSLETTER!

Dear Parents and Carers,

We hope that the children enjoyed the holiday club provision with SCL over the last few weeks. We have had some fantastic feedback as you will see below. School staff resumed their roles in the provision this week and as ever the children had lots of fun with some learning time too.

Just a reminder that we are asking parents to send in fruit in the normal way for morning snacks ie if you can just send some fruit in with your child (eg bag of apples) and it will be shared by the children in Superheroes during the week; so if you are able to support with that it would be much appreciated.

Also could we ask that if your child is registered to attend and cannot do so on a particular day, please email Collette Pasley on [collette.pasley@wallace-fields-infant.surrey.sch.uk](mailto:collette.pasley@wallace-fields-infant.surrey.sch.uk) or Tara Cooke [tara.cooke@wallace-fields-infant.surrey.sch.uk](mailto:tara.cooke@wallace-fields-infant.surrey.sch.uk) so we can note this on our daily register. We plan our staffing rota around the numbers of children we expect on site each day, so your support with this is much appreciated.

Keep safe and well everyone.

Miss Nicky Mann & Mr Jamie Hallums  
Co-Head Teachers

Friday 24<sup>th</sup> April 2020

## Friday 8<sup>th</sup> May 2020 – Bank Holiday

Wallace Fields Infant School & Nursery will be **CLOSED** to Key Worker Children on Friday 8<sup>th</sup> May 2020 due to the Bank Holiday.

## Reception Superheroes!

This week we have been very busy exploring rhyming words in our book of the week 'The Rhyming Rabbit' and even thought of some of our own! In our Art learning this week we went outside on the hunt for different flowers. We then chose a picture of our favourite one and carefully drew it and coloured it in. We noticed that there are lots of daffodils out at the moment because it is Spring!

## Superhero Fun!

## Year One Superheroes!

This week the Year One Superheroes have been catching up with each other about their Easter breaks and discussed why we have Easter and some Easter traditions. They have also been learning all about weight and mass in maths, comparing different objects by weight, using language such as heavier, light and equal.

## Year Two Superheroes!

This week we loved our PE home learning activity which was to create and perform a simple gymnastics sequence. In our RE learning we thought about ways Christians believe that Jesus helped people and how we have helped people. We know that our grown-ups have been busy helping lots of people and we are really proud of them for that.

## Nursery Superheroes!

This week we have been very busy learning about our book of the week 'Dear Zoo'. We have been learning some Makaton signs for the animals with the help of Mr Tumble - why not see if your child can teach you? We have also been exploring rhyming words using rhyming pairs and playing Dear Zoo bingo.

**SCL** EDUCATION GROUP

Creating a legacy in the communities we serve

**Dear Partner**

I hope you are all well and staying safe.

After another great week of holiday clubs for the children of key workers I wanted to share some of the great things these children and our staff have been producing, you can see some examples attached.

We were also keen to share a link to the NCA-CEOP resources to support children and parents with online safety <https://www.thinkuknow.co.uk/> this is a great resources and we would like to support by sharing this to our audiences.

Our team have continued to produce some fantastic resources for parents and teachers, these can be seen on our Facebook page please head over and take a look <https://www.facebook.com/WeAreSCLKids/>

Once again thank you for your time and if we can be of any help please don't hesitate to get in touch.

## SCL Easter Holiday Club Parental Feedback

Overall Experience: 9.5/10

How likely to use again during lockdown: 9.8/10

How likely to use again after schools resume: 8.6/10

How likely to recommend to a friend/colleague: 9.5/10

Quotes:

*"My child had never been to a holiday camp before she gained so much confidence and loved going. She learnt how to be part of a team, play volley ball and so much more. So grateful to everyone who worked there"*

*"I could not have worked during the covid crisis if it wasn't for SCLs support and it was great that my already- unsettled children could go to their own school which was comforting to them during this difficult time. Thank you"*

*"My son hurt his ankle and the staff where very caring. Boys came home with T-shirts that they had decorated themselves and were very pleased with. A lot of fun in sad times! Thank you!!!"*

*"Really friendly, happy and helpful staff. My daughter really enjoyed herself and as a keyworker this club was absolutely fantastic to operate during Covid and giving me the opportunity to continue to work... A massive huge thank you!!!"*

*"SCL made the Easter holidays fun for my kids whilst I had to continue to work. Each day they came out excited to tell me about their day and armed with all sorts of things they had made. The staff are friendly, knowledgeable and really care about the kids. This week my girls have forgotten all of the stress surrounding our current Covid situation and just had fun. Something that I haven't seen in weeks. Thank you"*
