

Surrey County Council look after our Roads and Pavements - we need to ask the council to come and fix these for us.

You can help by signing the petition [here](#) or by using the QR code below.

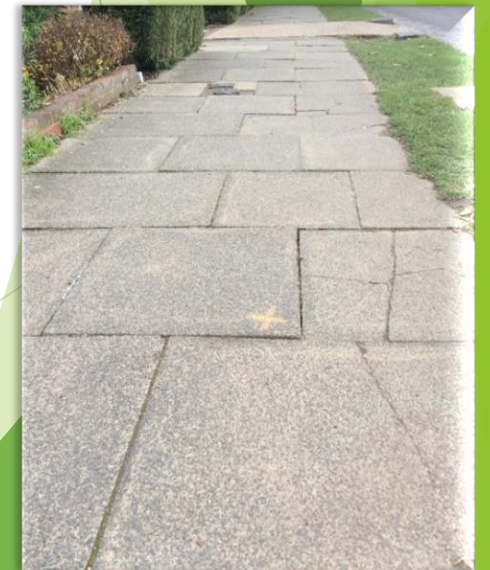

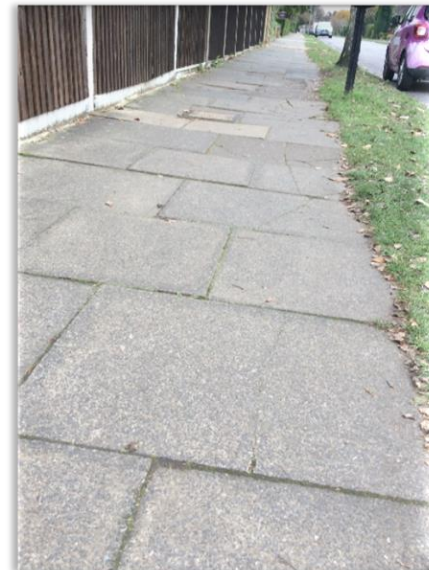

Thank you for your support. Written by Pupil Parliament at Wallace Fields Infant School & Nursery (November 2021)

Help Us to....

Fix Our Footpaths

The Problem: The Footpaths around Wallace Fields Infant School & Nursery are 'bumpy and uneven'

Grown ups and children are getting hurt on their journey to and from school, by tripping over the bumps.

‘Once I tripped over one of the big bumps coming to school and I had a bump on my nose’ Harry

‘My foot got stuck and I tripped and hurt my hands and my knees’ Kyle

Some of the cracks are higher than 2cm
