*"High achievement and success with a smile."*

5<sup>th</sup> January 2022

Dear Shining Stars Nursery and WFIS Parents and Carers,

It is with huge excitement that we can announce the 'safe arrival' of our new **WFIS & Nursery Reading Bus**...although some of you may have already noticed the shiny new red addition sitting proudly in the garden area!

Our Reading Bus made its journey from Chepstow in Wales to its new home here at Wallace Fields on Tuesday 21st December 2021 on the back of a very large low loader! Some of our Senior Leaders were able to take time out of their Christmas holiday to be on site and welcome the bus in to its new home and Mr Vinall and the bus transport team worked hard to install the bus in its permanent site (whilst negotiating some very tight corners in the process!).

We are expecting our electrician on site this week to complete work on the final electrical supply and we will then begin the process of transferring our stock of books over to their new permanent home. The children can then begin enjoying our fabulous new library in comfort! You will see from the photographs that both the exterior and interior have been refurbished to a very high quality and the lighting and heating/air conditioning will make this an all year round destination for our children to enjoy their love of reading!

We are still fundraising for the permanent shelter outside the bus and would kindly ask any members of the community who would still like to contribute to this cause to [click here](#) to visit the PTA fundraising page!

Please do take a look at some of photos on the next page!

Kind regards

Nicky Mann and Jamie Hallums  
Co Headteachers

*Wallace Fields Infant School & Nursery is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.*

The children were so excited to come and see the outside of the library bus for the first time!

**Bumblebee Class**

**Butterfly Class**
