Consequences of unacceptable behaviour:

Our behaviour rainbow

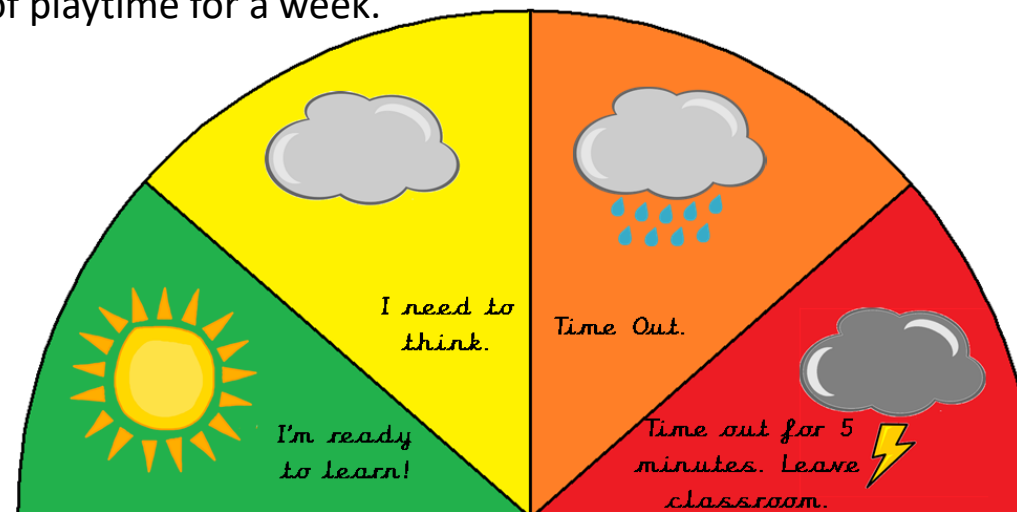

All children begin the day and the afternoon session on the sunshine

Step One: A verbal warning is given and a reminder of rules and expectations. The child's name will be moved onto the cloud

Step Two: The child's name will move onto the raincloud and they will miss two minutes of playtime to reflect.

Step Three: Child's name will be put onto the tornado, they will be sent to another classroom for five minutes to reflect as well as missing five minutes of playtime. Class teacher to inform parents of child's behaviour.

Step Four: If on the tornado three times in a week they will be sent to the deputy head and miss most of playtime for a week.

What is Bullying?

A bully is someone who purposefully tries to hurt someone, or their feelings over and over again.

What do you do if you think you are being bullied?

- Tell the bully to stop. Remember our school phrase: 'Stop it, I don't like it!'
- Tell an adult you trust at school (or write it down)
- Tell an adult at home

We want to show these values during playtimes and lunchtime

1. Gentle when we play
2. Kind and helpful
3. Respect equipment
4. Be good friends
5. Thoughtful words
