Thursday 17th June 2021

Dear WFIS & Nursery Parents,

Following the announcement by the Prime Minister that the releasing of restrictions on the 'road map' is paused, we are writing to you regarding changes to the plans for the events to which we have invited parents/carers for the remainder of the school year. As we are sure you can appreciate this week we have been working hard to adjust our plans to ensure that we are complying with Government Guidance.

The latest DfE guidance states that:

'Sports Day events can go ahead but pupils and students must remain in their bubbles, and early years children should remain in their consistent groups as is usual for their setting'.

The DfE guidance stipulates that spectators must be in separate groups of 30, however multiple groups of 30 are permitted.

The positive news is that we have decided to go ahead with our summer term events involving parents, however in order to stay within the government guidelines we can only accommodate **one parent per child to each event.**

Parents must also adhere to the expectation of wearing a face covering whilst on the school site unless medically exempt.

Whilst we understand that this might be disappointing for you as parents we believe this is preferable to cancelling our planned events. These are the Government guidelines that we must follow as our priority has to be keeping everyone safe whilst ensuring the children and do not miss out on important events. We politely request that you do not bring any preschool aged children to the following events and arrange alternative childcare to reduce the number of people on the school site. If availability or lack of childcare means that you are unable attend the event we will permit entry but would ask that this is only as a last resort and that there are no other options available to you.

Given the current guidance we are confident that the following Summer term events will go ahead in line with these changes. Rest assured we will act on any further guidance and update you if there are changes.

- **Tuesday 22nd June: Reception, Year 1 and Year 2 Sports Day: (Please note the adjusted times to support Social distancing)**

Year 2 Sports Day will take place from 9:00 a.m. – 10:30 a.m.

Year 1 Sports Day will take place from 11:00 a.m. – 12:30 p.m.

Reception Sports Day will take place from 1:00 p.m. – 2:30 p.m.

We are allowing **1 adult per child** to attend Sports Day. Please arrive and form a queue at the car park gate at your year group time slot. A member of staff will register you against your child's class list as you enter the school site. **We must ask that all adults wear a face covering while on the school grounds.** Please remember to follow our one-way system when arriving and leaving the school site.

Wallace Fields Infant School & Nursery is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Whilst we understand that the changes to these events might be disappointing, having large numbers of parents on site will increase the risk of transmissions and we really want to prevent a closure to any bubbles before the end of term. We are sure you will understand these were incredibly difficult decisions to make and the important thing is that the children do not miss out on opportunities.

Thank you for your ongoing and continued support, as always it is very much appreciated and we very much look forward to seeing you at these events!

Kind regards,
