"High achievement and success with a smile."

23rd October 2020

Dear Nursery, Reception, Year 1, Year 2 & KidsQuest Parents,

We would like to thank you for all your help and support in following our additional Covid 19 protective measures since reopening in September. Covid-19 has not gone away and there are signs that nationally and locally cases are on the rise which has caused the Government to increase the restrictions on gatherings both indoors and outdoors and introduce the 'Tiered system'. Therefore, we need to do all that we can to keep each other safe and to control the spread of the virus.

Over the past few weeks it has become noticeable that it is becoming increasingly difficult for parents to maintain the 2 metre social distancing rules when entering the school grounds at drop off and pick up times. Therefore we are writing to let you know that after half term, it will be our expectation that **all parents, grandparents and carers who are either dropping off or collecting children from Wallace Fields Infant School and Nursery wear a face covering or mask when doing so**, (unless they are exempt).

The sole reason for this request is one of safety. Safety for parents, carers, children, school staff and all local residents. We want Wallace Fields Infant School and Nursery to be as Covid-19 free as possible and we will only achieve this if we all work together.

Thank you again for your support in this matter. We hope you have a restful half term.

Yours sincerely

 

Miss Nicky Mann & Mr Jamie Hallums
Co-Headteachers

Wallace Fields Infant School & Nursery is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
