23<sup>rd</sup> October 2020

Dear KidsQuest Parents & Carers,

We are absolutely delighted that the children have settled so well into their new KidsQuest 'home' in the main school hall and are enjoying making use of the additional space and resources available to them in this larger setting. The added benefit for us as Headteachers is that we can hear and see the wonderful fun and laughter coming from our school hall as the children are playing and enjoying themselves!

As you may be aware, we have not increased our prices in over a year in an effort to support our families through what has been and continues to be a very difficult time for some. However, as we are sure you can appreciate we have been forced to take on the continual rising costs of resources and staffing, and following very careful consideration and thought for all our families we are left with no alternative but to increase the cost of the KidsQuest provisions from the beginning of the Spring Term in January 2021. Parents who use our Nursery wrap around provision will note that the price increase for our nursery children is higher than that of the infant and junior school children. This is due to the higher staff ratios required for nursery aged children and in line with our whole school ethos and ongoing high standards, we take great pride in being able to operate our KidsQuest provision with highly experienced, fully qualified staff who are known to the children in their daily school and nursery environments.

Please let us assure you that this has not been a decision we have taken lightly and we have given much consideration to ensuring that the provision remains both financially viable and competitive whilst maintaining the highest quality of staffing in the provision. We also believe that we remain competitively priced in comparison to other local providers.

*Our new pricing structure from January 2021 will be as follows:*

Nursery children: Before Nursery Care & breakfast – Booked Before Nursery Care & breakfast – Ad-hoc	<b>From January 2021</b> <b>£8.00</b> <b>£10.00</b>

We are very confident that our KidsQuest provision continues to provide a very high quality service that meets the needs of our nursery and school pupils and their parents and carers.
