How do we make sure that there is no bullying in our school?	Is there anything that we could do to make sure that there is no bullying in our school?	What would we do if we saw bullying at our school or if we were being bullied?
- Make sure we do not hurt other children - Give children time to calm, down if they are feeling angry or upset - We make sure that our school is safe and that we have no strangers come in - We look out for our friends by telling the teacher if we see any bullying - We make sure that we are always honest and tell the truth	- Make sure that we are always sharing and being kind - Make sure we are not biting anybody - Make some 'being kind' posters - If someone is lonely and doesn't have anyone to play with you could play with them. - Be kind to each other e.g. if they are tidying up, you could help them. - We should tell a teacher or somebody that we trust - We could make sure that we ask somebody on the friendship bench if they would like to play	- We would tell the teacher - Tell your mummy or daddy - Help somebody up if they are hurt - Send a 'sorry card' or letter - If you are on the friendship bench with someone else you could make friends with them. - If someone is unkind by laughing at someone at something that is not funny you should tell a grown up. - If someone is really stuck on something you could give them clues. - Say sorry if you hurt someone. - If someone falls over you could try and help them. - You could stick up for your friend if someone else is unkind

		• If you feel angry and you want to hit something then you can hit something that is soft and fluffy and won't get hurt • Children that are doing the bullying should walk around with a teacher for 5 minutes
