

## Remote Learning Review WFIS & Nursery: Spring 2021

### Attendance at 'Ocean Club' & Nursery

During the National lockdown, our Nursery remained open and was well attended. Overall, with Nursery and Ocean Club we had 134/260 children on roll in attendance during the national lockdown (52%).

### Remote Learning Engagement

Class teachers monitored participation in remote learning on a weekly basis. Recognising the different circumstances and commitments of families, we were very pleased with the level of engagement. The vast majority of children had medium to high levels of participation in activities set on ClassDojo, individual reads and social Zoom calls.

To All Staff teaching Hedgehogs - a very big thank you for such exceptional quality of home learning made available whilst also running classes for the children of key workers. You all are just amazing. Words are not enough to express our gratitude for your guidance and support for our little ones in these testing times.

Thank you for your wonderful videos and the great care and consideration you put into everything you did for home learning during lockdown. Whilst it was incredibly difficult for everyone we really, really valued the time you spent creating very special learning videos. We could feel your passion for teaching as well as the love you have for what you do, and the children you were teaching. You are our lockdown super heroes!

**Bumblebee class parent**

I think the teachers and teaching assistants of Bumblebee class have done an amazing job throughout with the online learning. They were encouraging and motivating and [my child] loved seeing their faces everyday. The live zooms were pitched perfectly and every child had an opportunity to contribute. It was great to have a glimpse of what [my child] is learning and how lovely her teachers are.

**Bumblebee class parent**

Thank you for your support and efforts during lockdown. [My child] really enjoyed her start at school, and the continued communication with you all through the lessons and Zoom calls during lockdown kept her enthusiasm going until she could return. An unexpected benefit of lockdown has been learning and understanding how you teach the children and I have really valued that experience and think it will help us to support [my child] better going forward.

**Butterfly class parent**
